

The Boulevard

Åboulevarden banner

Technical specifications

Export description

If your software cannot export a PDF document in the exact measurements because of the file size. Then you have to export the file in as a high **scale ratio** as possible. Colors are printed as CMYK

Acceptable outputs:

Tiff - without layers compressed as LZW

EPS - all fonts converted into curves/outlines and with an attached preview (screenshot)

PDF - without layers and with a preview

OBI MEDIA

OUTDOOR BROADCAST IMPACT

Measurements
